D Egg Dealers and Handlers

For information about egg dealer/handler requirements visit dor.wa.gov/eggdealer

Does your operation have fewer than 3,000 laying chickens, or only produces eggs and/or egg products from turkeys, ducks, geese, guineas, or fowl other than domestic chickens?

Yes No

If you selected "No" above, check the box below that applies.

I understand that it is my responsibility to ensure, and I have determined, that all new or renewal applications submitted under RCW 69.25.050 on or after January 1, 2024, must include proof that all eggs and egg products provided in intrastate commerce by the applicant (including eggs brought in from out of state for resale) are produced by commercial egg layer operations that meet the 2017 edition of the United Egg Producers (UEP) Animal Husbandry Guidelines for United States Egg-Laying Flocks: Guidelines for Cage-Free Housing, or a subsequent version of the plan recognized by the Washington State Department of Agriculture as providing equal or more usable floor space per egg-laying hen and, in addition, are operated to the standards identified in RCW 69.25.107.

Name of the 3rd party UEP "cage free" accreditation company that issued your business a certificate:
