Note: Cash collections. Some taxes are actually collected by other agencies, e.g., state property tax levy, and real estate excise tax, although the Department has administrative functions related to these taxes.

- 1 Past reports showed local tax distributions instead of collections.
- 2 Local tax is credited against state retail sales/use tax - no additional tax for consumers.
- 3 King County Food and Beverage tax final distributions were in September of 2011.
King County state-shared Baseball Stadium tax final distributions were in August of 2011. Because this was a state-shared tax, the revenues now return to the state.
- 4 Beginning in Calendar Year 2016, lodging tax collected in King County is distributed to the Football Stadium

PTBA = public transportation benefit area

Counties with multiple cities listed have equal totals but may levy different local sales taxes.

2 Counties levy the tax but the receipts are shared with cities.

3 For the most part counties levy the tax but the receipts are shared with cities. As of Jan 1, 2011 if a county with a population of at least 800,000 had not levied the tax then any city with a population of at least 30,000 within that county could. Currently Tacoma is the only city levying this local sales tax.
